# WELCOME TO SPAX COUNTRY

SPAX has been designing and manufacturing performance suspension for over 50 years. We believe that when you do something for long enough, you get it right.

SPAX was chosen twice by Thrust to break 2 Land Speed Records and the sound barrier. We think that at 771 MPH, only the best will do.

SPAX has been voted the best value, coolest brand, according to independent market research. We agree.

SPAX products are manufactured under stringent quality control procedures.

All SPAX products come with a comprehensive 2 year warranty.

All SPAX dampers are gas pressurised. VSX dampers are filled with nitrogen and all adjustable PSX AND RSX dampers are filled with high pressure Krypton gas to further enhance their performance.

Krypton's thermo-dynamic properties ensure there is no fading of the damping action. Low speed ride quality and high speed performance are BOTH improved.

RSX COILOVER kits now incorporate Stainless Steel height adjusters to ensure that you can adjust the ride height for many years, without the risk of corrosion and seizure. We use only 100% Top Quality Stainless Steel.

  - b) "Conditions" means the terms and conditions of sale set out in this document which apply to the Contract. These conditions supersede any other terms appearing in this or any previous catalogue or elsewhere, and, unless otherwise specifically agreed in writing on SPAX documentation by a Director of SPAX, these conditions of sale override and exclude any other terms stipulated or incorporated or referred to by the Customer, whether in the order or during any negotiations or any course of dealing established between SPAX and the Customer. These conditions apply to each and every Contract made between SPAX and the Customer and constitute the entire understanding between SPAX and the Customer for the Sale of products.
  - c) "Contract" means the contract between SPAX and the Customer for the sale of goods created by the confirmation of the Customer's written order by SPAX in accordance with clause 2.
2. SPAX shall not be bound by any order from the Customer unless a Contract has been formed by SPAX accepting the written order to which these Conditions apply.
3. No variation of the Conditions shall be binding unless agreed in writing on SPAX documentation by a Director of SPAX.
4. References to statutory provisions shall be references to any provision as amended or re-enacted.

6. Save as expressly provided in the Conditions all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.
7. No waiver by SPAX of any breach of the Contract by the Customer shall be considered as a waiver of any subsequent breach of the same or any other provision.
8. Any notice required to be given by either party under the Conditions shall be in writing and addressed to the other party at its registered office or such other address as may have been notified.
9. Neither party shall be liable for any delay in performing any obligations under the Contract if such delay is due to circumstances beyond its reasonable control and such party shall be entitled (subject to giving the other party full particulars of the circumstances and to using its best endeavours to resume full performance without avoidable delay) to a reasonable extension of the time for the performance of such obligations.

### CONTRACT

10. No dealer, agent or representative appointed by or representing SPAX is authorised to create a contract or make a commitment on behalf of SPAX save in accordance with these Conditions.
11. The Contract constitutes a binding agreement between the parties and no estimates or other correspondence between the parties prior to the date of this contract constitute a legally binding invitation to treat offer order or contract.

SPAX may at any time and for any reason alter the estimated delivery dates by giving notice to the Customer.
19. Delivery of the Goods shall be made by the Customer collecting them from SPAX after SPAX has notified the Customer that the Goods are ready for collection or (if some other place for delivery is agreed) by SPAX delivering the Goods to that place. Where the Goods are to be delivered in instalments each delivery shall constitute a separate Contract and failure by SPAX to deliver any one or more of the instalments in accordance with these conditions or any claim by the Customer in respect of any one or more instalments shall not entitle the Customer to treat the Contract as a whole as repudiated.

20. The Goods may be delivered by SPAX in advance of the quoted delivery date upon giving reasonable notice to the Customer.
21. If the Customer fails to take delivery of the Goods or fails to give SPAX adequate delivery instructions in advance of the time stated for delivery (otherwise than by reason of any cause beyond the Customer's reasonable control) then (without prejudice to any other right or remedy available to SPAX) SPAX may:
  - a) store the Goods until actual delivery and charge the Customer for the reasonable costs (including insurance) of storage; or
  - b) sell the Goods at the best price readily obtainable and charge the Customer for any shortfall below the price under the Contract including any costs of storage and sales.
22. The Customer is deemed to have accepted the Goods on delivery when the delivery note of SPAX (or SPAX's carrier) is signed by the Customer.
23. The Customer will be deemed to have accepted the Goods as complying with the contract if notification of non-acceptance is not received in writing by SPAX within 5 working days of delivery of the Goods.

24. If SPAX fails to deliver the Goods for any reason other than any cause beyond SPAX's reasonable control or the Customer's fault, SPAX's liability shall be limited to the excess (if any) of the cost (in the cheapest available market) of similar Goods to replace those not delivered over the price of the Goods.
25. Risk of damage to or loss of the Goods shall pass to the Customer:

28. Notwithstanding delivery and the passing of risk in the Goods, or any other provision of the Conditions, the title in the Goods shall not pass to the Customer until SPAX has received in cash or cleared funds payment in full for the price of the Goods and other charges and all other Goods and charges for which payment is then due.
29. Until the title in the Goods passes to the Customer:
  - a) the Customer shall hold the Goods as SPAX's fiduciary agent and bailee, and shall keep the Goods separate from that of the Customer and third parties and property stored, protected and insured and identified as the property of SPAX
  - b) provided the Goods are still in existence and have not been resold SPAX shall be entitled at any time to require the Customer to return the Goods to SPAX and, if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the Goods are stored and repossess the Goods; or

SPAX shall have the right to call for an assignment of such third party debts;
  - d) the Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of SPAX, but if the Customer does so all monies owing by the Customer to SPAX shall, without prejudice to any other right or remedy of SPAX, forthwith become due and payable.

### CHARGES AND PAYMENT

Unless otherwise stated in the contract or on the invoice, payment for the Goods or any instalment of the Goods shall be made by the Customer in Sterling within 30 days of the end of the month in which the invoice is issued. If payment remains outstanding after the due date SPAX may withhold further deliveries in respect of this or any other Contract between SPAX and the Customer, and either:
  - a) charge the Customer interest on outstanding sums at the rate of 4% above The Lloyds TSB base rate from time to time in force; or
  - b) treat the Contract as repudiated by the Customer and SPAX shall terminate the Contract in whole or in part and seek to recover damages for breach of contract.
32. Unless otherwise stated in the Contract (or otherwise agreed in writing) prices are given on the basis that Goods will be collected by the Customer and where SPAX agrees to deliver the Goods the Customer shall be liable to pay SPAX's charges for transport, packing and insurance.

33. Should the Customer become insolvent, be unable to pay its debts, commit any act of bankruptcy, go into liquidation, have a receiver appointed or make any voluntary arrangement with its creditors or suffer any similar action to be taken then:

- a) if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or agreement to the contrary; and
- b) the Customer's right to keep the Goods shall cease; and
- c) SPAX shall have the right to determine any contract or suspend any further deliveries under the contract without liability to the Customer as well as keeping the right to recover any money due or damages resulting from breach of contract.

fringement (and this indemnity shall not apply to the extent that the Customer recovers any sums under any such policy or cover (which the Customer shall use its best endeavours to do));
